# PROBLAM STATEMENT

"A simple portfolio website is needed to showcase personal details, skills, and projects in a clear and professional way."

# PROJECT OVERVIEW

"This project is a personal portfolio website built using HTML and Tailwind CSS. It provides a clean and responsive layout to display personal details, skills, and projects in an organized manner."

"The end users of this portfolio website are recruiters, employers, Teachers, and anyone who wants to view the personal details, skills, and projects of the owner."

**END USERS**

# TOOLS AND TECHNOLOGIES

"The portfolio website is developed using HTML for structure and Tailwind CSS for styling and responsiveness."

# PORTFOLIO DESIGN AND LAYOUT

1. Navbar – Name and menu links.

2. Hero – Introduction with name and role.

3. About – Short description about yourself.

4. Skills – List of main skills.

5. Projects – Showcase of work or projects.

6. Contact – Email, phone, or social links.

7. Footer – Copyright note.

# FEATURES AND FUNCTIONALITY

Displays personal details and introduction.

Showcases skills in a clear way.

Highlights projects with descriptions.

Provides contact details for communication.

Responsive design that works on mobile and desktop.

# RESULTS AND SCREENSHOTS

The screenshot shows a dark-themed resume template. At the top, there's a navigation bar with tabs for "HTML", "CSS", "JS", and "Result". Below the navigation bar, the text "</> K.Navajothi" is displayed. The main content area features a large rounded rectangle containing the text "Hi, I'm K.Navajothi" and a yellow hand icon. Below this, there's a paragraph about the author being a BSC (CS) (2nd Year) student at Chikkanna Arts & Science College, Tirupur, and their passion for web technologies. At the bottom, there are three buttons: "View Projects" (highlighted in blue), "Email", and "GitHub".

The screenshot shows the "Contact" section of the resume. The title "</> K.Navajothi" is at the top. Below it, the word "Contact" is centered. A section titled "Let's build something!" encourages collaboration. It includes the author's email (navajothi223@gmail.com) and phone number (+91 8098643567). At the bottom, there are links for GitHub, LinkedIn, and LeetCode.

# CONCLUSION

"This portfolio website provides a simple and responsive way to showcase personal details, skills, and projects, helping to create a professional online presence."
